

## CUNY TLH

### STUDENT SURVEY INFORMED CONSENT

#### Introduction

Welcome, Mellon Student Scholar! You received this survey because one of your professors is a faculty fellow in the Transformative Learning in the Humanities (TLH) program, and we are asking you to fill it out to help us evaluate the TLH program. The purpose of this consent form is to give you the information you will need to help you decide whether or not to be part of our program evaluation. Please read the information below carefully, and if you decide to participate in the program evaluation, please go ahead and respond to the questions. Please remember, the participation in the survey is voluntary.

#### Purpose

In this survey, we will ask you about your experiences learning in college. We will take your responses into consideration as we investigate how well our program supports faculty's teaching in the classroom.

#### Confidentiality

Your responses to this survey will be confidential. All identifiable information will be stored separately from your answers and will be saved in a password-protected folder. Your unidentified responses will be kept indefinitely. Internet Protocol (IP) addresses will not be included when survey responses are collected.

Only TLH program staff will have access to any information regarding the survey. The faculty teaching your courses will NOT have access to your responses. They will never know which students completed the survey. Lastly, your participation/non-participation and survey responses are not part of your course grade, and do not affect your grade in any way. You may decide to not participate in the study or to withdraw from the study without jeopardizing your grade, student status, or any other entitlements.

#### Time Required

It should take no longer than 5 minutes to complete the survey.

### Risks or Discomforts

The risk from participating in this study is no more than what is encountered in everyday life. Benefits The information collected in surveys will help determine how to support faculty and students. Compensation Those students who complete both this survey and a second survey at the end of the semester, and who are eligible for Financial Aid because they are enrolled as matriculated students at CUNY (taking courses for credit in the 20XX-20XX academic year), will receive \$100 Financial Aid awards for their participation in the surveys.

If you have questions about this survey or about your eligibility for the award, please email [TLH@cuny.edu](mailto:TLH@cuny.edu)
