

Dear Student Summit Panelist,

Thank you so much for your contributions at the TLH CUNY Student Summit on the Role of the Humanities in a Just Society. Congratulations on a successful summit! We were so thrilled by your presentation and participation.

I'm writing to you to see if you would like your presentation to be included in a TLH publication to be added to the TLH-in-a-box website. We would love to take this chance to memorialize the work you've done—and the vision of a better CUNY you've contributed to—on our brand new website. This will be a public resource that will live on after the TLH grant period is over. To be included, please send Isabela Cordero ([Isabela.Cordero@cuny.edu](mailto:Isabela.Cordero@cuny.edu)) a polished version of your presentation in .pdf or .doc or .docx format (with a title of the presentation at the top of the document) by **Friday, May 12th**. Put "Student Summit Presentation" in the Subject line of the email. This is a great opportunity for you to put both a presentation AND a publication on your CV/resume!

Also for TLH-in-a-box, we're interested in conducting interviews with student participants. If you're interested in a short, 5 to 10-minute interview about your experience with TLH and the Student Summit, please reply to this email **ASAP** and I'll send you a Doodle Poll to set up a time with myself, Grace Handy, or Isabela Cordero in the next week.

Thank you again, so much, for your time and work toward this amazing event! Please be in touch with any questions or should you be interested in contributing to the TLH-in-a-box project in either capacity outlined above.

All best,  
Yuma Carpenter-New and the TLH Team
