

# Write your Manifesto!

Networks from all around the world

A sense of intellectual self

Better connections

Something to take, not something to leave.

The desire to keep learning

What should the university help to provide you at the end of your 4 years?

Lifetime connections

NO DEBT!!

A better connection to my class I am taking

A sense of community amongst my peers.

Professor see me enough to care about what happens to me

What would keep you engaged in the college experience? What would make you show up to more than class?

Brainstorming activities

Allow free, open, and honest communication.

Excellent free education for everybody!

It will be an environment that will help me succeed and become a good graphic designer~

What is the university of your dreams?

A welcoming community that supports the lifelong learning of every person who wants to be a member and makes sure their basic and psychological needs are fulfilled.

Excellent free education for everybody!

Where everyone can have access to high quality services, innovative classes, and graduate fully prepared for life after college!

One with ample space for wellness

A place for everyone to feel whole, capable. That you are enough.

What is missing from your college experience right now that would enable you to succeed?

A better way for students to have an easier way to afford education.

Easier access to internships and experiential learning.

For CUNY to continue to have more fun courses to allow students to learn new everyday.

free!
