Congratulations! Student Summit Proposal Accepted - Please fill out this form by March 31

Dear __

Congratulations! You have been selected to present at the TLH CUNY Student Summit on May 5, 2023. We can't wait to have you be a part of this exciting event. We're thinking of adding you to a session on ___ from __ on May 5th. Please advise if this timing does not work for you and we will place you somewhere else on the schedule.

You will receive the \$300 scholarship and a Samsung tablet following your participation.

Please fill out [this form](#) to officially confirm your participation in the summit and secure your financial aid award by Friday, March 31.

We're so looking forward to what's sure to be an amazing and transformative summit, and are so happy to have you be a part of it!

In order to make your 7-minute presentation as successful as possible, please make sure you practice your presentation a few times before the summit (we recommend setting a timer to make sure you stay within 7 minutes) and incorporate this feedback from the TLH team and Student Advisory Board who reviewed your application:

Once all our presenters are confirmed, we'll introduce you to your fellow panelists as well as the person chairing your panel, who can be a valuable mentor to you as you prepare for the summit. Look out for an email from us in April!

FYI: After the summit, you'll receive a link to a Google Form where you'll be asked if you'd like to conduct an interview for TLH.

Please be in touch with any questions! We would love it if you joined us for a 20-minute session at some point in the next month to talk about the Summit and your presentation. You can find availability with the TLH team [here](#) (for polishing/practicing a presentation) and [here](#) (for advice on activities/interactives that engage the audience).

All my very best,
